

WELCOME to another season of football and cheerleading. For those who are new to the team, every Thursday we try to send home a newsletter containing important information, upcoming events, game times, and directions so here we go.....

- *All parents and spectators must remain on the sidelines during games and practices. If you need to talk to a coach, please make arrangements to do so after practice. Thank you for your cooperation.*
 - Although practice is *rarely* cancelled, any weather related cancellations are announced on WDNH 95.3. If you would like to receive cancellations, newsletters and handouts via e-mail, please send your e-mail address to: lyrfootball@yahoo.com. Please be advised that comments and questioned will not be answered through this e-mail address, it is for the sole purpose of getting information out to the parents as quickly as possible.
 - Monday, AUGUST 13, 2006 – Pictures- The photographer is scheduled to be at the field for pictures, this will take place during practice.
 - Concession Stand at Home Games – Working the concession stand is a mandatory parent obligation. Team Moms will be setting up schedules; please make arrangements to come early or stay late for one home game. Baked goods are also needed. We are all a part of the Jr. Buckhorn team and we all must do our share to keep the team running smoothly.
 - The Snack Shack on the gazebo will begin on Tues., July 31st. Help again is mandatory; Team Moms will be setting up a schedule for the month of August. The Snack Shack offers hot dogs, drinks, snacks, & daily specials during practice. Please see Barb Tyson at the Snack Shack to schedule the necessary donations.
 - Pre-season game against Western Wayne on Sat., August 11th at Home.... Sat. night game times will apply.
 - Any new football parents who are unsure how the whole uniform w/pads goes together, please bring everything to the gazebo during practice and we will be more than happy to show you. P.S. put the jersey over the shoulder pads then put the whole thing on the football player...it really does require a special technique but they'll get the hang of it in no time
 - THANK YOU to everyone who helped with equipment hand-out last Saturday and during the past week.
